Dear Daniel Webster Alumni,

We are looking forward to another wonderful year at Daniel Webster High School, and looking forward with great anticipation to the celebration of Webster's 75th anniversary. Leading our Warrior faculty, staff, and students to continued success in so many areas is such a great honor. Our programs are moving forward at a rapid pace as we prepare to embrace the national Common Core Standards, which will require our students to engage in a more rigorous, world-ready curriculum that provides creative problem solving and explanation-based answer skills.

Our athletic programs are showing progress with both the boys and girls basketball teams making it to the Regional finals during the 2011-12 school year. We have also moved into a new conference, which will allow us to compete in a more vigorous schedule and prepare all of our sports teams and athletes to be more competitive at the state level.

We have received numerous compliments over the past year about our trophy cases in the field house that were purchased and donated by the Alumni Foundation. They show the history, pride, and tradition of the Warrior spirit. They were a wonderful addition to a beautiful building, and we thank and appreciate you so much for your overwhelming generosity.

Our horticulture program continues to flourish as our Agriculture and Horticulture teacher, John Wells, is preparing to take our students to the National FFA Conference and Expo in Indianapolis, Indiana this October.

I am so proud of our faculty and staff that come to work each and every day, ready to give 110% to these young adults. Our Parent Teacher Student Association membership this year is once again at 100%, and our faculty is continually looking for new and unique ways to help both the students and the community.

In closing, I would just like to express my continued gratitude for the opportunity to educate the students in this wonderful community and to loudly and proudly proclaim that **I AM EXTREMELY PROUD TO BE A WEBSTER WARRIOR.**

Sincerely,
Jim Rector

Dear Daniel Webster Alumni,

Your 75th Alumni Reunion committee is working hard developing an organizational structure that will ensure an exciting time on **Saturday, June 8, 2013**. By the time you are reading this letter there will be about 9 months before "show time".

We are planning a full day of events on the Webster campus. We are hoping everyone will come, enjoy meeting former classmates, reliving memories, sharing in making new ones and see how Webster has grown and changed over the past 75 years.

One event in the planning is a walk down memory lane by decade. We are asking every class to bring artifacts, photos from their years at Webster to place on tables that will be arranged by decade down the center hall. There certainly be a multitude of memories to share in this virtual time line.

Over the years, several of our alumni have been major car buffs. A Show & Shine car show will be on campus to give alumni a chance to bring their beautiful rides and share their stories with you. Please contact John Autry, CO '66 at 918-861-1948 to make a reservation.

We are looking for a few good bands. We have a couple as of this writing, but could really use four more. If you have suggestions, please e-mail me at jcreekpaum@gmail.com. Additionally, there will be several local vendors on the circle giving you a chance to purchase refreshments during the day.

An event of this magnitude requires a lot of money. We must pay for using every building, for a custodian to service every building and for security for the entire campus in addition to other miscellaneous costs. To help pay for this celebration, a Silent Auction will be held in the old gym that day. We're asking for every class to contribute a nice item(s) for this auction and/or to contribute a \$100.00 to help with the costs. Gary Bennett, CO '63, has generously donated the first item for the auction: a VIP pass to a Barrett-Jackson Automobile Auction for our auction. Thank you, Gary! If you have an item for the Silent Auction, please contact Virginia Apker, CO '53, at vapker53@aol.com.

For improved communications, Tim Connor, CO '76, has established us on Facebook. Go to **Tulsa Daniel Webster High School Alumni Foundation** and join the group to keep current with planned events. The Foundation now has a Pay Pal account thanks to Rayanne Tobey, CO '88 and Laura Undernehr, CO '65. Dues and contributions can now be paid via Pay Pal for your convenience. Please indicate whitecoach@aol.com as the linking e-mail when making payments via Pay Pal.

A group can accomplish a lot when all are pulling in the same direction. Any money left over will go into our Foundation fund to be spent on scholarships for Webster students. We are not having our golf tournament so our scholarship fund can use any money we have left over. You can rest assured our board guards our dollars and every expenditure is justified.

Please send your monetary donations to DWHS Alumni Foundation, P.O. Box 9824, Tulsa, OK 74159 by May 15, 2013 or you can use Pay Pal. Remember your donations are tax deductible. Thank you.

Respectfully yours,

Eddie Creekpaum, Chairman
